

## NCME Board of Directors

- **Vice President**
- **Board Member at Large**
- **Board Member representing Testing Organization**

**Three year terms, April 2019 - April 2022**

***Submit nominations (or self nominate) by June 15.***

The Nominations Committee of the National Council on Measurement in Education seeks the next leaders of the organization. Nominees must be NCME members. Some travel is required.

NCME is searching for candidates for the role of Vice President/President-Elect. This position serves as a member of the Board and the Executive Committee and replaces the President if he/she is unable to carry out the responsibilities of the office. The President-Elect is the incoming President of NCME for 2020-2021.

In addition, candidates are sought for two openings for Board Members in 2019, one elected as an At-Large Board Member, and one who is employed by a testing organization.

In the nomination and appointment of NCME members to leadership positions in the Council, diversity of membership is an important priority. Such diversity includes gender, ethnicity, type of employee organization, and geographic region. (NCME Handbook, 2015).

Help shape the future of NCME by nominating a peer or self-nominating for a volunteer leadership role on NCME's Board of Directors.
